Dear Purium Community,

To improve your experience on our Zoom calls, Purium is now requiring all participants to **register in advance** for our Zoom events. This update will help us:

- **Give Prizes to Your Guests:** When a new, non-Purium guest joins a **Product Education** & **Business Opportunity Zoom**, they'll have a chance to win a Free Aqua Vibrance! After each session, we'll randomly select prize winners and contact them directly to send out their reward.
- **Replays & Thank You Emails:** We will send the replay to each Zoom Registrant in a follow-up "Thank You!"
- **Keeps Our Community Safe** – Registration helps us keep spammers and unwanted disruptions out of our meetings, ensuring a wholesome and safe experience for everyone.

Zoom Registration is quick and individual:

- **Register To Receive Your Unique Zoom Link To Join:** Click for each one to input your name and email. After registering, you'll receive an email with your own unique link to join and prompts to add to your calendar.
- **Create Calendar Reminders:** Register in advance so you can sync the event to your calendar for reminders and quick link access.
- **Send Guests the Registration Link (not your unique zoom link)**: If a guest uses another person's link, the guest will not be registered under their own information. That means the original person will be registered multiple times, and the guest loses their chance to win a prize!

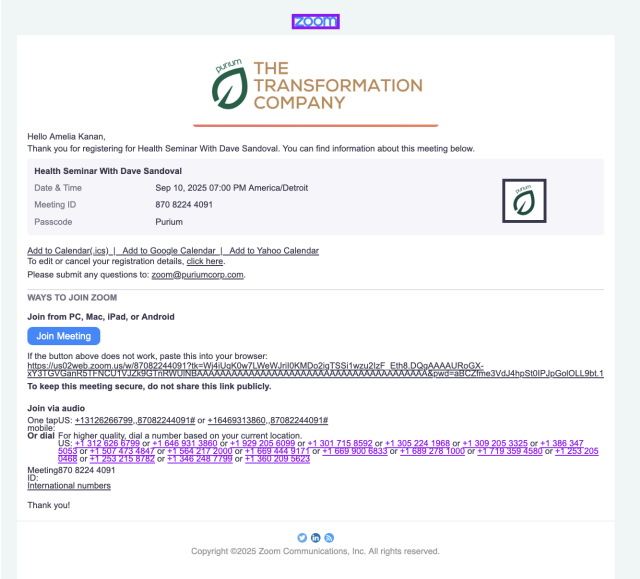

Links To Register

FYI: All Bitly Links will stay the same. Purium staff will update the "backend" of the link to ensure a new registration URL is promoted via the bitly.
